ABOUT AHNCC AND THE NURSE COACH BOARD CERTIFICATION EXAMINATION

The American Holistic Nurses Credentialing Corporation (AHNCC), incorporated in 1997 and governed by a Board of Directors, endorses the concept of voluntary certification by examination for all nurse coaches. Certification is one part of a process called credentialing. It focuses specifically on the individual and is an indication of current competence in a specialized area of practice. Board certification in nurse coaching is highly valued and provides formal recognition of nurse coaching knowledge and competence. Certification does not end with the successful completion of the examination. In order to maintain your credential, certificants must document a minimum of continuing competency credits every five years. This demonstrates a commitment to continued competence as well as personal and professional growth.

VISION

AHNCC’s vision statement is: Transformation through Holistic Nursing

MISSION

The mission of AHNCC is to advance holistic, person-centered care that emphasizes clients as the experts of their own experience and nurses as instruments of healing by assuming full administrative authority and sole responsibility over credentialing programs based on the values, knowledge, and skills of Holistic Nursing.

VALUES

AHNCC is committed to values that enhance professional practice and contribute to competency in holistic nursing practice. Values such as integrity, fairness, excellence, innovation, holism, mutuality, empowerment, caring, facilitation, reflection, healing, and transformation provide the basis for holistic nursing practice. These values provide a foundation for the Nurse Coach Board Certification Examination.

PURPOSE

AHNCC’s purposes are to ensure that:

1. Nurses certified in Holistic Nursing or Nurse Coaching can demonstrate integration of foundational concepts of Holism into their lives, and Holistic Nursing knowledge and skills into their practice.
2. AHNCC’s credentialing programs are valid, reliable, secure, and are psychometrically defensible.

POLICIES

Universality: No candidate shall be excluded from the opportunity to become certified as a nurse coach on the basis of race, color, national origin, religion, gender, marital status, sexual orientation, age, or disability. AHNCC ensures that all candidates are able to access test centers, which are non-discriminating, and provides all candidates with fair testing conditions. AHNCC provides alternate dates for testing based on demonstrated religious needs.

Withdrawals: Candidates wishing to withdraw their documents must submit a written letter by certified mail. No other means of communication will be accepted. All remitted fees will be forfeited.

Returned Checks: A $25.00 fee will be assessed to any candidate whose personal check is returned for insufficient funds. Remittance of all fees thereafter must be in the form of a money order or certified check.

Correspondence: AHNCC cannot be held responsible for the timely performance of the post office in delivering documents. Documents may become lost in the mail. Candidates are encouraged to make copies of all materials submitted. Those desiring verification of receipt by AHNCC should use certified or registered mail.

Membership Requirements: Membership in an association or organization is not required to become Board certified in Holistic Nursing.

PURPOSE AND BENEFITS OF CERTIFICATION

Nurse coaching is a skilled, purposeful, results-oriented, and structured relationship-centered interaction with clients provided by Registered Nurses. Nurse coaches work with holistic persons in any setting or specialty area. They use skills and knowledge that integrate body-mind-emotion-spirit. Nurse coach clients are the experts of their needs and, as such, set the agenda for the coaching process. Reasons for certification are among the following:

- Establishes minimum competency standards for the nurse coach practice
- Assures the public that the certified nurse coach has completed all eligibility requirements to earn a credential
- Recognizes nurses who have met those standards
- Provides the certified nurse coach with a network of colleagues
- Validates knowledge and skills necessary for the practice in the role of professional nurse coach
- Establishes identity with consumers, employers, colleagues, and surveyors as someone with credibility in the field of nurse coaching
- Encourages continued personal and professional growth consistent with professional nurse coaching
- Provides documentation of knowledge and competence in nurse coaching in the form of an official certificate
ADMINISTRATION

The Nurse Coach Board Certification Examination is sponsored by the American Holistic Nurses Credentialing Corporation (AHNCC). The Nurse Coach Board Certification Examination is administered for AHNCC by the Professional Testing Corporation (PTC), 1350 Broadway, Suite 800, New York, New York 10018, (212) 356-0660, ahncc@ptcny.com, www.ptcny.com. Questions concerning the application process and examination should be referred to PTC.

Candidates unable to take the examination as scheduled may request a one-time transfer to the next testing period. The transfer request must be made within 90 days after the originally scheduled testing date and submitted with the transfer fee of $185.00. Candidates may need to resubmit current RN license. If candidates are unable to attend the examination on the date for which they registered and elect not to reschedule to one of the next two testing windows, the application will be closed and all fees will be forfeited. The transfer fee is based on cost and is not punitive in nature. The transfer fee must be paid at the time the request for rescheduling is submitted. The candidate is responsible for contacting PSI and canceling the original examination appointment, if one had been made. Request for an exam to be rescheduled may only be made once; please plan carefully. Both the transfer request and the transfer fee must be received within 30 days after the original examination date for the transfer to be granted. Contact Professional Testing Corporation to initiate the transfer: ptcny@ptcny.com or call 212-356-0660.

EXAMINATION ADMINISTRATION

The Nurse Coach Board Certification Examination is administered during an established two-week testing period on a daily basis, Monday through Saturday, excluding holidays, at computer-based testing facilities managed by PSI. PSI has several hundred testing sites in the United States, as well as Canada. Scheduling is done on a first-come, first-served basis. To find a testing center near you visit: www.ptcny.com/cbt/sites.htm or call PSI at (833) 207-1288. Please note: Hours and days of availability vary at different centers. You will not be able to schedule your examination appointment until you have received a Scheduling Authorization from notices@ptcny.com.

SCHEDULING YOUR EXAMINATION APPOINTMENT

Once your Examination Application has been received and processed, and your eligibility verified, you will receive an e-mail from PTC confirming receipt. Within six weeks prior to the first day of the testing window, you will be e-mailed a Scheduling Authorization. You MUST present your current driver’s license, passport, or U.S. military ID to be admitted to the test center. Temporary, paper driver’s licenses are not accepted. The name on your Scheduling Authorization must exactly match the name on your photo I.D. Call PTC at 212-356-0660 if you need a duplicate Scheduling Authorization or if your name is not correct. PTC also recommends you bring a paper copy of your Scheduling Authorization and your PSI appointment confirmation with you to the testing center. A candidate not receiving a Scheduling Authorization at least three weeks before the beginning of the testing period should contact the Professional Testing Corporation by telephone at (212) 356-0660.

The Scheduling Authorization will indicate where to call to schedule your examination appointment as well as the dates on which testing is available. Appointment times are first-come, first-served, so schedule your appointment as soon as you receive your Scheduling Authorization in order to maximize your chance of testing at your preferred location and on your preferred date. It is the candidate’s responsibility to call PSI to schedule the examination appointment.

After you make your test appointment, PSI will send you a confirmation email with the date, time, and location of your exam. Please check this confirmation carefully for the correct date, time, and location. Contact PSI at (833) 207-1288 if you do not receive this email confirmation or if there is a mistake with your appointment.

It is highly recommended that each candidate become familiar with the location of the testing site prior to the testing date.

Arrival at the testing site at the appointed time is the responsibility of the candidate. Please plan for weather, traffic, parking, and any security requirements that are specific to the testing location. Candidates arriving late may be denied access. If this occurs refunds will not be granted.

CHANGING YOUR APPOINTMENT

If you need to cancel your examination appointment or reschedule to a different date within the two-week testing period, you must contact PSI at (833) 207-1288 no later than noon, Eastern Standard Time, of the second business day PRIOR to your scheduled appointment. Fees will not be transferred to another testing period. Appointments rescheduled within the same testing period incur no additional charge.

INTERNATIONAL TESTING

Candidates outside of the United States and Canada must complete and submit the Request for Special Testing Center Form found on the www.ptcny.com homepage. This form must be uploaded to your application no later than 8 weeks prior to the start of the chosen testing period. Fees for testing at an international computer test center (outside of the United States and Canada) are $100.00 in addition to the examination fee. PTC will arrange a computer-based examination at an international test center for you. Please note that the examination is administered in English.
SPECIAL NEEDS

AHNCC and PTC support the intent of and comply with the Americans with Disabilities Act (ADA). PTC will take steps reasonably necessary to make certification accessible to persons with disabilities covered under the ADA. Special testing arrangements may be made upon receipt of the Application, examination fee, and a completed and signed Request for Special Needs Accommodations Form, available from www.ptcny.com or by calling PTC at (212) 356-0660. This Form must be uploaded with the online application at least EIGHT weeks before the testing period begins. This Form is required if you need to bring a service dog, medicine, food or beverages needed for a medical condition with you to the testing center.

Only those requests made and received on the official Request for Special Needs Accommodations Form (found at www.ptcny.com) will be reviewed. Letters from doctors and other healthcare professionals must be accompanied by the official Form and will not be accepted without the Form. Information supplied on the Request for Special Accommodations Form will only be used to determine the need for special accommodations and will be kept confidential.

ABOUT THE COMPUTER BASED TESTING FORMAT

Questions are displayed, one at a time, on the computer screen. The candidate has the ability to “bookmark” a specific question and return to the item whenever the individual chooses. The answers to any item may be changed at any time during the testing session. None of the answers are submitted until the candidate completes the exam or designates “SUBMIT” on the last screen of the examination. After that time, the answers for any item may not be changed.

Results of the exam are NOT provided immediately upon completion of the exam. Results are tabulated by PTC at the end of the two-week testing period and then mailed to the individual candidates, approximately four weeks after the close of the testing window.

TESTING SOFTWARE DEMO

A free Tutorial and a Testing Software Demonstration can be viewed online. Go to http://www.ptcny.com/cbt/demo.htm. This online Tutorial can acquaint you with the features of the testing software.

RULES FOR THE EXAMINATION

1. Basic function calculators are permitted into the examination room. Calculators must be small (hand held or smaller, non-programmable), noiseless, and cordless, and must have no printing capability, expansion capability, or alphanumeric keyboards or displays. A calculator is also available on the computer screen. Calculators included in cell phones and other electronic devices are not allowed.

2. All electronic devices that can be used to record, transmit, receive, or play back audio, photographic, text, or video content, including but not limited to cell phones, laptop computers, tablets, Bluetooth devices and all wearable technology CANNOT be taken into the examination room.

3. No papers, books, or reference materials may be taken into or removed from the examination room.

4. No questions concerning content of the examination may be asked during the testing period. The candidate should read carefully the directions that are provided on screen at the beginning of the examination session.

5. Candidates are prohibited from leaving the testing room while their examination is in session, with the sole exception of going to the restroom.

6. Unless prior permission has been granted for you to bring a beverage or a snack to the test center due to a medical need (see Special Needs on page 4), you cannot bring food or beverages to the test center.

7. All watches and “Fitbit” type devices cannot be worn during the examination. It is suggested that these items not be brought to the testing center.

8. Bulky clothing, such as sweatshirts (hoodies), jackets, coats and hats, except hats worn for religious reasons, may not be worn while taking the examination.
ONLINE PRACTICE TEST

WHAT IS IT: A nurse coach practice test with 50 items with a testing time of two hours taken over the Internet. The practice test is not required to take a certification examination, nor will it predict for successful test performance nor do they predict for success.

WHY TAKE IT: To experience taking a computerized exam, to review an example of the type of content included in the Certification Examination, and to learn more about question format, style, and level of difficulty.

SCORE REPORT: After completing the online practice test, you will receive an instant score report showing test performance in each of the content areas. The score report does not provide correct answers or indicate which questions were answered correctly and incorrectly.

NOTE: The online practice test is an optional tool which candidates may use as they prepare for the certification examination. While the practice test may help candidates identify areas of strengths and weakness, it should not be used as the only means to determine candidate preparedness or readiness to test. Since the practice test is NOT intended to be a study guide nor the sole source of preparation for the actual certification examination, candidates are NOT provided with the answer key, rationales for each question, nor notification of which specific items were answered correctly or incorrectly.

Though the specific questions that are on the practice test will not appear on the actual certification examination, it allows candidates to become familiar with the style of questions that may be asked. The instant score report received after practice test submission shows overall test performance as well as performance in each of the content areas. Candidates may find this information useful in determining future study needs. Once the practice test is scored, candidates cannot return to the test to review the questions. The practice test can only be taken one time. Performance on the practice test does not guarantee similar performance on the actual certification examination.

The PTC Online Testing System does not demonstrate the testing software used during the certification examinations. Those who purchase the online practice test should be aware that they will use a different testing platform when they take certification examinations at designated proctored testing centers.

The practice test is not a requirement for certification eligibility nor does it predict in any way success on the certification examination. There are many ways candidates should prepare for the certification examination. Candidates should use a variety of resources and consider their own education and experiences. Review the content outline and reference materials listed in the handbook for additional exam-related information.

FEE: $75 by credit card.

APPLY: Go to www.ptcny.com and select Online Practice Test.

REPORT OF RESULTS

Candidates will be notified in writing by PTC approximately four weeks after the close of the testing period whether they have passed or failed the examination. Scores on the major areas of the examination and on the total examination will be reported. Results related to individual test items will not be shared. Information related to a candidate’s score or test history is confidential and only provided to the candidate and AHNCC. No specific information will be shared with employers or any other individual. Successful candidates will also receive certificates from AHNCC. The names of candidates who have successfully passed the examination will also be reported to organizations involved in furthering holistic nursing or nurse coaching, such as AHNA. Names of AHNCC certificants will also be listed in a registry on the AHNCC website. The names of those who pass the examination may be released for the press.

A follow-up letter with information regarding length of certification, and recertification processes will be sent by AHNCC within two-three weeks following notification of having passed the examination. Certification status will be released to others according to the Letter of Agreement with AHNCC, signed by the candidate during the application process.

Information regarding the pass/fail rates of AHNCC’s examinations can be found on their website: at http://www.ahncc.org/certification/exam-development-and-outcomes/

**Introduction**

The Primary References shown below are offered specifically to help candidates prepare to take the AHNCC Nurse Coach Board Certification Examination. The Secondary References are offered to help candidates explore nurse coaching concepts, issues, philosophy, and related matters in greater depth. If you want to review or add to your knowledge base as you prepare for the certification examination, we suggest that you start with the Core Essentials (AHNCC, 2017), review the Nurse Coaching: Scope and standards (ANA/AHNA, 2013), and then select from the secondary references (below) to build your expertise. Finally, the AHNCC Practice Examination will help you test your expertise and give you experience with the AHNCC testing format. AHNCC cannot predict success on an examination. Success is dependent upon multiple factors including (but not limited to) one's ability to apply the knowledge, skills, and attitudes of holistic nursing to clinical practice, and one's test-taking abilities.

**Primary References for Those Preparing for the Certification Examination**

AHNCC Practice Examinations. [https://secure.ptcny.com/webtest/](https://secure.ptcny.com/webtest/) The practice examinations offer a learning experience comparable to the testing experience. The practice examinations are based on the examination blueprint, formatted exactly as our certification examinations, and the items are drawn from our pool of items. There are practice examinations for each of the certification examinations.

**Secondary References for Knowledge Exploration and Expansion**

The secondary references offered below are not exclusive; many others may be used to build one’s expertise in holistic nursing.

Please note: AHNCC examination items are designed to test specific knowledge and skill competencies reflected in the Core Essentials, derived by a review of the literature, expert panel review, and a Role Delineation/Practice Analysis Study. Sample examination items that appear in the Secondary References are different. They are designed to test the reader's general knowledge of holistic nursing. While they may help the reader gain an understanding of the foundation of holistic nursing, provide opportunities for personal exploration and evaluation, they are not focused on the essential competencies required for certification, nor have they been subjected to the rigorous development process used by AHNCC for the examinations. Therefore, they cannot be used as to predict success on AHNCC certification examinations.

PROFESSIONAL CODE OF ETHICS FOR AHNCC CERTIFIED NURSES

The American Holistic Nurses Credentialing Corporation ("AHNCC") is a nonprofit organization that provides credentialing programs for nurses who practice within the precepts of Holistic Nursing as determined by AHNCC. AHNCC credentialing is intended to be national in scope and blends both academicians and practitioners for the purpose of establishing rigorous standards for nurses who wish to practice holistically in the real world of professional nursing. Certification, offered to nurses certified by AHNCC from a wide variety of practice arenas, requires that certificants maintain high standards in their practice of Holistic Nursing. To the extent that standards are rigorously adhered to, it is the aim of AHNCC to be inclusive, and not exclude any subspecialty of nursing. Maintenance of AHNCC certification requires adherence to AHNCC's Code of Professional Practice. Individuals who fail to meet these requirements may be suspended or have their certification revoked. AHNCC certification is not representation or an opinion on the competence of the job performance of nurses certified by AHNCC, and AHNCC does not guarantee the job performance of any individual. Rather, AHNCC certification constitutes recognition by AHNCC that, to its best knowledge, an AHNCC certificant meets at the time of examination, and agrees to adhere to certain minimum academic preparation, professional experience, continuing education and competency, and professional standards.

I. ELIGIBILITY FOR CERTIFICATION OR RECERTIFICATION

As a condition of eligibility for and continued maintenance of any AHNCC certification, each candidate or certificant agrees to the following:

A. Compliance with AHNCC Standards, Policies, and Procedures

No individual is eligible to apply for or maintain certification unless in compliance with all AHNCC rules and standards, policies and procedures, including timely payment of fees and recertification requirements. Each individual bears the burden for showing and maintaining compliance at all times. AHNCC may deny, revoke, or otherwise act upon certification or recertification when an individual is not in compliance with all AHNCC standards, policies and procedures. AHNCC reserves the right to request additional information to supplement or complete any application for certification or recertification, and to refuse or revoke certification if the information is not provided, the information is not satisfactory, or the information demonstrates concern to AHNCC.

B. Complete Application

The individual shall truthfully complete and sign an application in the form provided by AHNCC, shall pay the required fees and shall provide all information as requested. The individual shall notify AHNCC within 60 (sixty) days of occurrence of any change in name, address, telephone number, and any other facts bearing on eligibility or certification (including but not limited to: filing of any civil or criminal charge, indictment or litigation; conviction; plea of guilty; plea of nolo contendere; or disciplinary action by a licensing board or professional organization). A candidate or certificant shall not make and shall correct immediately any statement concerning the candidate's or certificant's status which is or becomes inaccurate, untrue or misleading. All references to “days” in AHNCC standards, policies and procedures shall mean calendar days. Communications required by AHNCC must be transmitted by certified mail, return receipt requested or other verifiable method of delivery. The candidate or certificant agrees to provide AHNCC with confirmation of compliance with AHNCC requirements as requested by AHNCC.

C. Property of AHNCC

The examinations, certificates, and educational materials of AHNCC; the names "American Holistic Nurses Credentialing Corporation" and "Certified Holistic Nurse;" and "Certified Nurse Coach" the term "AHNCC," the terms Holistic Nurse – Board Certified ™, Holistic Nurse Baccalaureate – Board Certified ™, Advanced Holistic Nurse – Board Certified ™, Advanced Practice Holistic Nurse – Board Certified ™, Nurse Coach – Board Certified ™, Health and Wellness Nurse Coach – Board Certified ™, or credentials “HN-BC™,” “HNB-BC™,” “AHN-BC™,” “APHN-BC™,” “NC-BC™,” and “HWNC-BC™;” and logos, and abbreviations relating thereto are all the exclusive property of AHNCC and may not be used in any way without the express prior written consent of AHNCC. In case of suspension, limitation, revocation, or resignation from AHNCC or as otherwise requested by AHNCC, the
individual shall immediately relinquish, refrain from using, and correct at the individual's expense any outdated or otherwise inaccurate use of any certificate, logo, emblem, and the AHNCC name and related abbreviations. If the individual refuses to relinquish immediately, refrain from using and/or correct at his or her expense any of the above, or misuse or use in a misleading manner any of the above, the individual agrees that AHNCC shall be entitled to inform any parties in AHNCC's discretion, of the inappropriate or incorrect use of information or AHNCC credentials or titles, and obtain all relief permitted by law.

D. Pending Litigation

Candidates and currently certified individuals must notify AHNCC of any indictment or charge pending before a state or federal regulatory agency or judicial body that relates or may relate to professional competence or nursing practice, or that may relate to AHNCC or its certification or qualifications, or a matter described in Section III, 1-13 within 60 (sixty) days of such charge or action, shall respond to all inquiries from AHNCC regarding the same, and shall provide documentation of the resolution of such charge within 60 (sixty) days.

E. Criminal Convictions

An individual convicted of a felony or misdemeanor related to nursing practice shall be ineligible to apply for certification or recertification for a period of five (5) years from the exhaustion of appeals or final release from confinement (if any), whichever is later. This may be waived by the AHNCC if the applicant presents compelling evidence that the applicant would be a credit or benefit to AHNCC and meets all other AHNCC standards.

II. SCORE REPORTS

The AHNCC is concerned with reporting only valid scores. On rare occasions, misconduct or circumstances beyond the individual's control may render a score invalid. If doubts are raised about a score, all individuals are expected to cooperate in any AHNCC investigation. AHNCC reserves the right to cancel any examination score if, in the sole opinion of AHNCC, there is adequate reason to question its validity. AHNCC in its discretion will (i) offer the individual an opportunity to take the examination again at no additional fee, or (ii) proceed as described below.

III. APPLICATION AND CERTIFICATION STANDARDS

AHNCC may revoke, deny or otherwise take action with regard to the application or certification of a candidate or certificant, in its sole discretion, in the event that it determines that there may be:

1. Ineligibility for AHNCC certification;
2. Irregularity in connection with any AHNCC examination;
3. Failure to pay fees required by AHNCC;
5. Obtaining or attempting to obtain certification or recertification by a false or misleading statement or failure to make a required statement, fraud or deceit in an application, reapplication or any other communication to AHNCC;

10. Limitation or sanction, including voluntary limitation, by a governmental regulatory board or professional organization relating to the public health, nursing, or Holistic Nursing.
11. The conviction of, plea of guilty or plea of nolo contendere to a felony, or a misdemeanor related to nursing practice, clinical competence or ethics or morals. This includes but is not limited to a crime involving rape or sexual or other abuse of a patient or child, and actual or threatened use of a weapon;
12. Failure to timely update information to AHNCC;
13. Failure to maintain confidentiality as required by law; or
14. Other violation of an AHNCC standard, policy or procedure as provided in the AHNCC Candidate Brochure or other material provided to candidates or certificants.
IV. ESTABLISHMENT OF SPECIAL HEARING COMMITTEES

1. The AHNCC Board of Directors by a majority vote shall elect a Standards Hearing and Review Committee as identified in the AHNCC Bylaws to consider alleged irregularity and/or violations of any AHNCC disciplinary rule set forth at III, 1-14 above or any other AHNCC standard, policy or procedure.

2. The Standards Hearing and Review Committees shall be composed of three members drawn from AHNCC certificants.

3. A committee member’s term of office on the committee shall run for one year and may be renewed upon the recommendation of the Chair of the Committee and approval of the AHNCC Executive Committee, so long as the total term of service does not exceed a continuous six years.

4. A committee member may not serve on any matter in which s/he has an actual, apparent or potential conflict of interest.

5. Committee action shall be determined by majority vote.

6. When a committee member is unavailable to serve by resignation, disqualification or other circumstance, the Committee Chair with approval of the Chair of AHNCC Board of Directors, shall designate another individual to serve as an interim member.

V. REVIEW AND APPEAL PROCEDURES

Failure to pay fees, failure to submit required information, and failure to meet deadlines shall all be determined by the AHNCC National Office. The National Office shall send a notice to the affected certificant, allowing an opportunity to respond within thirty (30) calendar days to the National Office. If no response is received within the 30-day period or if no evidence is submitted showing timely compliance by the certificant (completed within the 30-day period), the National Office may revoke certification, without further opportunity for the certificant to appeal except as set forth in XII, herein. In all other circumstances, the following procedures shall apply:

A. Submission of Allegations

1. Allegations of a violation of an AHNCC disciplinary rule or other AHNCC standard, policy or procedure are to be referred to the Committee Chair for disposition. Persons concerned with possible violation of AHNCC rules should identify the persons alleged to be involved and the facts concerning the alleged conduct in as much detail and specificity as possible with available documentation in a written statement addressed to the Chair. The statement should identify by name, address and telephone number the person making the information known to AHNCC and others who may have knowledge of the facts and circumstances concerning the alleged conduct. Supplementation relating to the content or form of the information may be requested.

2. The Chair shall make a determination as to whether the allegations submitted in writing may have any credibility, which determination shall be made within 60 days and after consultation with counsel when appropriate.

3. If the Chair determines that the allegations are frivolous or fail to state a violation of an AHNCC's rules, the Chair shall so apprize the Board and the complainant (if any), and no further action shall be taken.

4. If the Chair determines with counsel that good cause may exist to deny eligibility or question compliance with AHNCC rules, the Chair shall transmit the allegations to the Standards Hearing and Review Committee.

B. Procedures of the Standards Hearing and Review Committee

1. The Standards Hearing and Review Committee shall investigate the allegations after receipt from the Chair, as determined appropriate by the Standards Hearing and Review Committee based upon the allegations and information. If a majority of the Committee determines after such investigation that the allegations and facts are inadequate to sustain a finding of an irregularity and/or violation of AHNCC policies and/or rules, no further adverse action shall be taken. The Board and the complainant (if any) shall be so apprised.

2. If the Committee finds by majority vote that good cause exists to question whether an irregularity or violation of an AHNCC disciplinary rule has occurred, the Committee shall transmit a statement of allegations to the candidate or certificant by certified mail, return receipt requested, setting forth the applicable standard and a statement:

   a. Of facts constituting the alleged violation of the standard;

   b.    c. That the candidate or certificant shall have 15 days after receipt of the statement to notify the Chair if he or she disputes the allegations, has comments on available sanctions, and/or requests a hearing on the record;
d. That the candidate or certificant may appear in person with or without the assistance of counsel, may examine and cross-examine any witness under oath, and produce evidence on his or her behalf;

e. That if allegations are determined to be true, or if the candidate or certificant fails to respond, sanctions may be taken, including revocation; and

f. That if the candidate or certificant does not dispute the allegations or request a hearing within (30) days after the date of the letter from the Committee, the candidate or certificant consents that the Committee may render a decision and apply available sanctions. (Available sanctions are set out in VI., below.)

3. If the candidate or certificant disputes the allegations or available sanctions or requests a hearing, the Chair of the Committee shall be retained, and the remaining members excused from service on the Committee. Two to three new members shall be appointed to serve on the Standards Hearing and Review Committee. New members shall meet the following criteria:

a. Lack previous knowledge or awareness of candidate or certificant case and the findings reported by Standards Hearing and Review Committee;

b. At least 50% or greater of the members shall be practicing in a comparable setting as the candidate or certificant;

c. At least 50% or greater of the members shall be certified at the level of the candidate or certificant; and

d. Declare lack of conflict of interest.

4. The new Standards Hearing and Review Committee shall then:

a. Schedule a written review, or telephone or in-person hearing as directed by the candidate or certificant, allowing for an adequate period of time for preparation for the hearing; and send by certified mail, return receipt requested, a Notice of Hearing to the candidate or certificant. The Notice of Hearing shall include a statement of the standards allegedly violated and the time and place of the hearing as selected by the Standards Hearing and Review Committee.

b. The candidate or certificant may request modification of the date of the hearing for good cause. The individual may request a hearing by teleconference or by written submission of documents in lieu of in-person hearing.

c. The Standards Hearing and Review Committee shall maintain a verbatim audio, video or written transcript.

d. AHNCC and the candidate or certificant may consult with and be represented by counsel, make opening statements, present documents and testimony, examine and cross-examine witnesses under oath, make closing statements and present written briefs as scheduled by the Standards Hearing and Review Committee.

e. The Standards Hearing and Review Committee shall determine all matters relating to the hearing. The hearing and related matters shall be determined on the record by majority vote.

f. Formal rules of evidence shall not apply. Relevant evidence may be admitted. Disputed questions shall be determined by majority vote of the Standards Review Committee.

g. Proof shall be by preponderance of the evidence.

h. Whenever mental or physical disability is alleged, the candidate or certificant may be required to undergo a physical or mental examination at the expense of the candidate or certificant. The report of such an examination shall become part of the evidence considered.

i. The Standards Hearing and Review Committee shall issue a written decision following the hearing and any briefing. The decision shall contain factual findings, conclusions of law and any sanctions applied. It shall be mailed promptly by certified mail, return receipt requested, to the candidate or certificant.

C. Appeal Procedures

1. If the decision rendered by the Standards Hearing and Review Committee is not favorable to the candidate or certificant, the candidate or certificant may appeal the decision to the AHNCC Board of Directors by submitting a written appeals statement within thirty (30) days following receipt of the decision of the Standards Hearing and Review Committee along with the appeal fee of $1,000.00.

The appellant shall also be given the opportunity to provide any new evidence that was not presented to the Standards Hearing and Review Committee.

4. The decision of the AHNCC Board of Directors shall be rendered in writing following receipt and review of any briefing. The decision shall contain factual findings, conclusions of law and any sanctions applied and shall be final. (Available sanctions are set out at Section VI. below.) Following such notice and opportunity by the individual to be heard, if the Board determines that a threat of immediate and irreparable injury to the public exists, certification may be suspended pending a full review as provided herein.

2. In any other event, no earlier than three (3) years from the final decision of ineligibility or revocation.

In addition to other facts required by AHNCC, such an individual must fully set forth the circumstances of the decision denying eligibility or revoking certification as well as all relevant facts and circumstances since the decision relevant to the application. When eligibility has been denied because of felony conviction, the individual bears the burden of demonstrating by clear and convincing evidence that the individual has been rehabilitated and that inappropriate or illegal behavior will not be repeated.

XI. SUBMISSION OF INFORMATION TO AHNCC CONCERNING POSSIBLE VIOLATION OF STANDARDS
Persons concerned with possible violation of AHNCC standards should identify the persons alleged to be involved and the facts concerning the alleged conduct in as much detail and specificity as possible with available documentation in a written statement addressed to the Chair of the AHNCC Board of Directors. The statement should identify by name, address and telephone number the person making the information known to the AHNCC and should identify others who may have knowledge of the facts and circumstances concerning the alleged conduct. Supplementation relating to the content or form of the information may be requested.

XII. STANDARDS AND DEADLINES
As a rule, AHNCC expects its certificants to meet all standards, policies, and deadlines imposed by AHNCC, especially in regard to submission of applications, fees, required evidence of licensure, academic preparation, and continuing education and practice, and sitting for its examinations. On rare occasion, circumstances beyond the control of the candidate or certificant or other extraordinary conditions may render
it difficult, if not impossible, for the certificant to meet AHNCC’s requirements. Should an individual wish to request an exception for any standard requirement, the certificant should transmit a written explanation and make request for reasonable alternatives, with full relevant supporting documentation, to AHNCC's national office, to the attention of the AHNCC Board of Directors. The Board of Directors will determine at the next meeting of the Board, in its sole discretion and on a case-by-case basis what, if any recourse, should be afforded to such individuals based on the circumstances described and the overall impact on AHNCC. No other procedures shall be afforded to individuals who fail to meet AHNCC standards and/or deadlines.

XIII. BIAS, PREJUDICE, IMPARTIALITY
At all times during AHNCC's handling of the matter, AHNCC must extend impartial review. If at any time during AHNCC's review of a matter a candidate, certificant, or other person identifies a situation where the judgment of a reviewer may be biased, prejudiced, or impartiality may be compromised, (including employment with a competing organization) the individual is required to report such matter to the AHNCC President immediately. AHNCC will consider the information.

NURSE COACH SELF-REFLECTIVE ASSESSMENT AND GUIDELINES
Self-reflection is a way of learning about your practice, how to improve your abilities as a holistic nurse, and as a way of knowing yourself as a nurse in relationships with their patients. The self-reflection, self-assessment experience is recommended for all nurses applying for AHNCC certification, but is not required to meet application criteria, nor will it predict successful examination performance.

A set of principles and core values serves as the foundation of Nurse Coaching (Hess, Dossey, Southard, et al. 2012). Nurse Coaches know that “The ability to perform at the expected level requires lifelong learning and self-development (i.e. self-reflection, self-assessment, and self-care) is necessary to provide effective Nurse Coaching.

Develop statements regarding three of the five situations below. Use your own words and experiences to fully discuss/describe your life and experiences. Use self-reflection as a method to describe how you have integrated Holistic Nursing Principles into your personal and professional life. For assistance, see AHNA’s Scope and Standards for Holistic Nursing Practice (2013, p. 5-8).

1. Think about one of your coaching experiences. Reflect on the process and assess what you have learned about yourself as a professional nurse coach. Consider your areas of strength and limitations. Identify areas for growth.
2. Reflect on your personal and professional nurse coach journey and discuss how it affects who you are today.
3. Reflect on a situation that occurred within the last year in which you applied concepts of nurse coaching in your own life, and assess the impact it had on you as a professional.
4. Reflect on one of your coaching experiences that has not evolved as you had wished. Consider the relationship between you and your client. Evaluate your role as the facilitator. Describe what you learned about yourself.
5. Reflect on one of your coaching experiences that surprised you. Assess the factors involved- what affected the outcomes? Consider your role in the process.
