EXAMINATION ADMINISTRATION AND SCHEDULING

The ARC Registration Examination in Aromatherapy is administered during an established three-week testing window daily, excluding holidays, at computer-based testing facilities managed by Prometric.

Scheduling Authorization

PTC will send approved candidates an email called the Scheduling Authorization. These emails are sent out about 11 weeks before the first day of the testing window. The emails come from notices@ptcny.com.

Candidates cannot make an appointment until they receive a scheduling authorization. If you don’t receive your scheduling authorization 3 weeks before the start of your testing window, contact PTC.

Scheduling Examination Appointments

The Scheduling Authorization will indicate how to schedule your examination appointment with Prometric as well as the dates during which testing is available. Appointment times are first-come, first-served, so schedule your appointment as soon as you receive your Scheduling Authorization to maximize your chance of testing on your preferred date.

Candidates who wait until the last minute run the risk of missing out on their preferred date and time. Candidates unable to schedule an appointment will forfeit their fees.

After you make your test appointment, Prometric will send you a confirmation email with the date, time, and location of your exam. Please check this confirmation carefully for the correct date, time, and location. Contact Prometric at (800) 741-0934 if you do not receive this email confirmation or if there is a mistake with your appointment.

Note: International candidates may also schedule, reschedule, or cancel an appointment online at http://www.prometric.com/ARC.

Please see our Live Remote Proctoring FAQs for more info: https://ptcny.com/remote-proctor-faqs/

PLEASE BE ADVISED: It is the candidate’s responsibility to be sure their equipment and workspace meet all the requirements for Live Remote Proctoring. If a candidate makes an appointment for remote proctoring and is unable to test due to not meeting technical requirements or physical requirements of the workspace, the candidate will forfeit their examination fees and will need to follow the transfer policies in place for their exam. Please see your exam’s transfer policies on page 11.

Transferring to a New Testing Period
Candidates unable to take the Examination during their scheduled testing period may request a **ONE-TIME** transfer to a future testing period. **There is a transfer fee of $250.00.** After you have transferred once by paying the $250.00 fee, you will need to pay the full Examination fee in order to transfer a second time; so, **please plan carefully.**

**Please note:** Requests to transfer to a new testing period must be received within 30 days of your originally scheduled testing period.

Candidates wishing to transfer to a new testing period need to follow the steps below.

2. Click “Start New Application.”
3. Choose ARC in the first drop-down menu; then choose the new Examination period in the second drop-down menu and fill out the rest of the information on the page.
4. Fill out the Application making sure you answer yes to the question asking if you are transferring.
5. When you have finished the Application, click “Submit Transfer Request.”
6. PTC Support will send you an email letting you know your transfer Application was approved and that you can log back into your Application and pay the one-time $250.00 transfer fee.

Call 212-356-0660 if you have any questions regarding the transfer process.

If candidates are unable to attend the Examination on the date for which they registered and elect not to transfer to another testing period, the Application will be closed, and all fees will be forfeited. There will be no refund of fees.

The transfer fee is based on costs and is not punitive in nature. The transfer fee must be paid at the time the request is approved. The candidate is responsible for contacting Prometric and canceling the original Examination appointment, if one was made.

**Exams may only be transferred to a new testing period once; please plan carefully.**

**Please note:** Transferring your Examination only refers to instances when a candidate is unable to take their exam during a testing period for which they have already applied. Candidates who did not pass their Examination and are retaking the Examination need to pay the full Examination fee.

TEST ACCOMMODATIONS

ARC and PTC support the intent of and comply with the Americans with Disabilities Act (ADA). PTC will take steps reasonably necessary to make Registration accessible to persons with disabilities covered under the ADA. According to the ADA, an individual with a disability is a person who has a physical or mental impairment that substantially limits a major life activity (such as seeing, hearing, learning, reading, concentrating, or walking) or a major bodily function (such as neurological, endocrine, or digestive system). The information you provide, and any documentation regarding your disability and test accommodations, will be held in strict confidence.

All approved testing accommodations must maintain the psychometric nature and security of the examination. Accommodations that fundamentally alter the nature or security of the Examination will not be granted.

Testing arrangements may be made upon receipt of the Application, Examination fee, and a completed and signed Request for Test Accommodations Form, available from www.ptcny.com or by calling PTC at (212) 356-0660.

This form must be uploaded with the online Application no later than 8 weeks prior to the start of your chosen testing period. Candidates who do not submit their Test Accommodations Form with their Application may not be able to test during their chosen testing period and therefore may be subject to rescheduling or transfer fees.

Only those requests made and received on the official Request for Test Accommodations Form will be reviewed. Letters from doctors and other healthcare professionals must be accompanied by the official form and will not be accepted without the form. All requests must be made at the time of application. Accommodations cannot be added to an existing Examination appointment.

Please note: Do not go to www.prometric.com or contact Prometric to request test accommodations as Prometric is not authorized to approve accommodations. All requests for test accommodations must be submitted on the PTC Request Form.
PREPARING FOR THE EXAMINATION

- Check your government issued photo ID (driver’s license, passport or U.S. Military ID) when you make your Examination appointment. Is it expired? Does the name on your ID match the name on your Scheduling Authorization email? Proctors at the Prometric testing center will refuse admission to candidates with expired IDs, IDs with names that do not match their records, and temporary paper IDs. Candidates will be marked as no-shows and will forfeit their Examination fees.

- Check your PTC Scheduling Authorization email and Appointment Confirmation email from Prometric to make sure everything is accurate (i.e. your name, exam name, appointment date, time, and location).

- Make yourself familiar with the location of your chosen testing site and any requirements they may have for parking and check the weather and traffic conditions before you leave for the testing center. Make sure you give yourself plenty of time to arrive as late arrival may prevent you from testing.

- In the event of inclement weather, check the Prometric website for site closures: https://www.prometric.com/closures.

- Prometric’s website provides information on what you can expect on your test day, including a walk-through of check in and security procedures: https://www.prometric.com/test-center-security.

- This Handbook provides the Content Outline for the Examination (see page 19). Use these to help you start studying for the Examination.

- Review the Rules for the Examination and other information about what to expect, on the following pages, before your appointment.
WHAT TO EXPECT WHEN TESTING VIA LIVE REMOTE PROCTORING

- Be sure to check your system compatibility BEFORE you schedule and again before your appointment.

- The check-in process is about 30 minutes long and is not factored into your appointment. Be sure to log into ProProctor to start your Examination at least 30 minutes prior to your appointment time.

- While your Examination will be administered in the language you chose on your Application, the ProProctor software and live remote proctors only use English.

- **CANDIDATES MUST VERBALLY NOTIFY THE PROCTOR BEFORE LEAVING CAMERA VIEW FOR THEIR 5 MINUTE BREAK.** Failure to do so may result in termination of your examination and nullifying scores. Candidates will need to be checked in again by a proctor before beginning the second section of the exam.

- **No scratch paper is allowed.** Be sure your workspace is clear of any extra items and electronic devices except for your government-issued photo ID.

- Read the Live Remote Proctoring FAQs here: [https://ptcny.com/remote-proctor-faqs/](https://ptcny.com/remote-proctor-faqs/).

WHAT TO EXPECT AT THE TESTING CENTER

PTC has partnered with Prometric to deliver Examinations to candidates. Here is what you can expect when you arrive at your Prometric Testing Center.

  - Candidates will be asked to present their IDs
  - Candidates will be asked to empty and turn out their pockets
  - Candidates will be “wanded” or asked to walk through a metal detector

During the Examination

- Candidates are only permitted to leave the testing room to use the restroom or access food, drink, or medicine from their assigned locker.
- Candidates who take an unscheduled break are subject to additional security screenings before being permitted to reenter the testing room.
- Accessing mobile phones, study materials, or anything other than food, drink, or medicine/healthcare supplies during the examination is prohibited including during the scheduled break.
- Smoking is prohibited at the testing center.
- All examinations are monitored and may be recorded in both audio and video format.

Please keep in mind: other exams will be administered at the same time as your examination. Therefore, examinees may hear ambient noises such as typing, coughing, or people entering and exiting the testing room that cannot be avoided. Proctors periodically walk through the testing room for security monitoring. Prometric is unable to provide a completely noise-free environment. However, headphones may be requested to minimize impact.

Please see Prometric’s website for more information about what to expect on testing day.
RULES FOR THE EXAMINATION

Please read the information below carefully. You are responsible for adhering to the Examination rules while at the testing center.

- You must present your current driver’s license, passport, or US Military ID at the testing center. Candidates without valid ID will NOT be permitted to test. Temporary or paper copies of your ID will not be accepted.

- Cell phones, watches, and all other electronic devices are strictly prohibited at the testing center. Please leave these items in your car or in your assigned locker at the testing center. You may NOT access your cell phone, electronic devices, or study materials from your locker at any time.

- No papers, books, or reference materials may be accessed during a break at a locker, taken into or removed from the testing room.

- You may ONLY access snacks, drinks, medicines or personal healthcare items from your locker.

- No questions concerning the content of the Examination may be asked during the Examination session. Candidates should carefully read the directions that are provided on screen at the beginning of the Examination session.

- No smoking, drinking, or eating is permitted in the testing room.

- No moving about the room or other behavior distracting to other candidates is permitted.

- Candidates testing at a physical testing center are prohibited from leaving the testing room while their examination is in session, except for going to the restroom, or accessing their locker for food, drink, or medicine/personal healthcare only.

  - Those testing via Live Remote Proctoring may not leave the testing area except during the 5-minute break. **Candidates must verbally alert the proctor before leaving camera view.**

- Only one (1) candidate at a time will be permitted to use the restroom.

- Except with examiners, no talking or other communication is permitted during testing.

- Candidates must not copy Registration Examination materials, copy others’ work, provided answers to other candidates, use materials not allowed in the testing room, or in any way cheat on the Registration Examination.

- Candidates may take up to four (4) hours to complete the Examination.

- Candidates should take their time reading the questions. If there is a problem with a question, skip it and come back to it later.
Make an educated guess rather than leave an answer blank. Credit will be given for all correct answers.

- Bulky clothing, such as sweatshirts (hoodies), jackets, coats, and hats (except hats worn for religious reasons), and most types of jewelry may not be worn while taking the Examination. Proctors will ask you to remove such items and place them in your locker. Please see Prometric’s statement on Test Center Security for more information.

- All watches, including fitness/smart watches and similar devices, cannot be worn during the Examination.

- Food/beverages are not permitted inside the testing room or at your workspace if testing via live remote proctoring. Leave these items in your assigned locker. You may access these items during your break.

Contact PTC at (212) 356-0660 or www.ptcny.com/contact with any questions about the Examination Rules.

Irregular or improper behavior that is observed, made apparent by statistical analysis, or uncovered by other means before, during, or after the Examination will be considered a violation of these rules and may constitute grounds for invalidation of a candidate’s Examination. ARC will initiate an investigation and request suitable analyses and appropriate documentation.
TESTING CONDITIONS OR EXAMINATION FEEDBACK

Any candidate who feels that the Examination effort was negatively impacted by the test center conditions should notify the proctor immediately. The situation should also be reported to PTC at www.ptcny.com/contact within 15 days of the test appointment. Any comments about the test itself should also be reported to PTC at www.ptcny.com/contact within 15 days of the test appointment.

For information on the subject matter covered by the Registration Examination, please see Content of Examination, Sample Examination Questions, and Recommended References.

Examiners cannot answer questions regarding the Registration Examination. If a candidate believes that a question is unclear, wrong, or otherwise problematic, they may notify ARC by submitting a comment form at the time of the Registration Examination or by sending a written complaint within seven (7) days after the Registration Examination by contacting PTC at www.ptcny.com/contact.

ARC will NOT consider comments received after this deadline. Candidates should include as much detail and relevant information as possible. ARC will review all comments within fourteen (14) business days of receipt and respond in writing.

Comments regarding the validity of a question on the Registration Examination will be reviewed by ARC upon referral by the testing company staff. The potential changes resulting from this review are generally limited to amending or eliminating the question.

Complaints based on Registration Examination administration practices, or other circumstances not related to the validity of the Examination itself, will be reviewed and investigated by the ARC Board of Directors. If the ARC Board of Directors determines that the complaint is frivolous or fails to state a violation of ARC’s rules, no further action will be taken. If the ARC Board of Directors finds that good cause may exist to question compliance with ARC rules, ARC will investigate further in accordance with the ARC Disciplinary Policy.

Whether a change is necessary will be determined by ARC based upon the nature and severity of the situation. The potential recourse available to affected candidates is limited to a waiver or reduction of fees. A PASSING SCORE IS REQUIRED FOR REGISTRATION IN ALL INSTANCES. For security reasons, Registration Examination materials (including but not limited to scored answer sheets and test booklets) are not open to public inspection or subsequent review by the candidate.

If a candidate disagrees with ARC’s response, they may appeal the decision to the ARC Board of Directors. However, the Board of Directors will only consider the appeal if the candidate provides an explanation of why the ARC Board of Directors’ original decision was arbitrary or capricious. Any such appeal shall be limited to written briefs. The decision of the ARC Board of Directors shall be final.
REPORT OF RESULTS

All Registration Examinations are graded by computer and are double-checked for accuracy. Credit is given for all correct answers. Candidates will be notified by email when their scores are available online. Score reports will be available approximately four (4) weeks after the close of the testing period. This time is necessary to allow for the psychometric review and administration time required to ensure accurate and reliable results. Scores on the major areas of the Registration Examination and on the total Examination will be reported. Score reports will be available online for only 90 days. Be sure to save a copy of your score report in your permanent files or print a hard copy.

Candidates who have achieved a passing score on the ARC Registration Examination in Aromatherapy will be eligible to use the Registered Aromatherapist (RA) credential and will receive e-certificates from ARC that are recognized for a maximum period of five (5) years from the date of issue. To maintain registration after the initial five years, candidates have the option to retake and pass the then-current Registration Examination or to meet continuing education requirements as outlined at that time. Use of the credential is subject to ARC’s Policy on Use of Registration Marks, found in Appendix A.

Scoring Procedure

The passing score for the ARC Examination has been reviewed and approved by ARC and has been determined using a criterion-referenced methodology.

REQUESTING A HAND SCORE

Candidates who fail the Examination may request a hand scoring of their data file. Hand scoring is a manual check of the data file by the testing service to determine if there have been any errors in scoring. Although the probability of such an error is extremely remote, this service is available. Requests for hand scoring must be received by PTC no later than 90 days after the date of the examination by completing and returning the Handscore Report Request Form at www.ptcny.com/candidate-corner with payment of $25. Candidates who fail the Examination will not be permitted to see the Examination questions. For reasons of test security, no candidate is allowed to review the Examination or any of its items.

To ensure correct reporting of results, PTC automatically performs hand scores of Examinations of candidates who score within 3 points of passing as a quality control measure. Thus, it is extremely doubtful that any Examination results will change from “fail” to “pass” through hand scoring.
CONFIDENTIALITY OF EXAMINATION SCORES
ARC will release the individual test scores ONLY to the individual candidate.

REEXAMINATION
The ARC Registration Examination in Aromatherapy may be taken a maximum of one (1) time in one (1) calendar year.

VERIFICATION OF REGISTRATION
When a candidate passes the Registration Examination and is granted registration as a Registered Aromatherapist, ARC will verify the individual's registration status upon request by employers, governmental agencies, and the public. Telephone and electronic mail responses are free. Written verification requires payment of a $20 administrative fee at the time of request. ARC will only release registration status, the date registration was awarded, and disciplinary actions, if any, taken by ARC.

A database of ARC Registered Aromatherapists is maintained by ARC and may be reported in its publications and/or website. The database of Registered Aromatherapists can be viewed at https://aromatherapycouncil.org/find. Each Registered Aromatherapist is responsible for ensuring that their information on the Register is correct and up to date. Please see https://aromatherapycouncil.org/updating-your-info.

CONTINUING REGISTRATION AND REREGISTRATION
In order to be and remain eligible for registration, an individual must be in compliance with the ARC Disciplinary Policy as well as all other ARC standards, policies, and procedures. Registration is recognized for a maximum period of five (5) years. To maintain registration, candidates have the option to retake and pass the then-current Registration Examination or to meet continuing education requirements. Please refer to the PTC and ARC websites for the continuing education requirements and the complete Guidelines for Reregistration at www.ptcny.com/www.ptcny.com/test-sponsors/arc.

ARC™ DISCIPLINARY POLICY

The Aromatherapy Registration Council (ARC) developed and administers the Registered Aromatherapist registration program as a means to fulfill its mission of promoting the safe delivery and effective practice of aromatherapy, with the ultimate purpose of protecting public health and safety. ARC adopted this Disciplinary Policy to articulate standards of conduct required for eligibility for registration and continued registration as a Registered Aromatherapist. ARC welcomes comment and inquiry from aromatherapists and the public.

Please note: All references to “days” in this Disciplinary Procedure and other ARC standards, policies, and procedures refer to calendar days. Any communication required by ARC must be in writing and sent to ARC by certified mail (return receipt requested) or by delivery service.

V. REVIEW AND APPEAL PROCEDURES

1. Submission and Initial Review of Allegations
   a. Persons concerned with a possible violation of this Disciplinary Policy or any other ARC standard, policy, or procedure, or a wrongful determination of ineligibility by the ARC Executive Director, are encouraged to submit a complaint to ARC. The complaint must be in writing, signed and dated, and identify the person(s) involved and the surrounding circumstances in as much detail as possible. The complaint should also include the name, address, and telephone number of the person making the complaint and any other individual(s) who may have information regarding the alleged violation.
   b. Alleged violations must be sent to the ARC Executive Director for forwarding to the ARC President for initial review. Supplementation relating to the content or form of the complaint may be requested by either the Executive Director or the President, including but not limited to a written testimonial from the individual who is the subject of the complaint (the Subject).
   c. The President, in consultation with legal counsel, shall make a determination regarding the allegations.
   d. If the President determines that the allegations against the Subject are frivolous or fail to state a violation of ARC’s rules, no further action shall be taken. The President will inform the ARC Board of Directors, Executive Director, and the Subject (if known).
   e. If the President determines that good cause may exist to deny eligibility or question
compliance with ARC's rules, the President shall forward the matter to the Disciplinary Committee for investigation.

2. **Investigation Procedures of the Disciplinary Committee**
   a. The Disciplinary Committee shall investigate the allegations after receipt from the President.
   b. If the Committee determines that the facts are inadequate to sustain the allegations against the Subject and a finding of a violation of ARC's rules, no further action shall be taken. The Committee will inform the ARC Board of Directors, President, Executive Director, and the complainant (if known).
   c. If the Committee determines that good cause exists to question whether eligibility was improperly denied, or ARC's rules were violated, the Committee shall transmit a written statement of allegations to the Subject by certified mail (return receipt requested). This statement shall set forth:
      i. The applicable rule.
      ii. The alleged facts constituting the violation of the rule or determination of ineligibility.
      iii. For allegations not related to a denial of eligibility, the right of the Subject to contest the matter in writing or request a telephonic hearing at which to dispute the allegations, with the Subject bearing their own expense for the hearing.
      iv. That the Subject shall have thirty (30) days after receipt of the statement to notify the ARC President and the Committee, in writing, that they dispute the allegations and/or have comments on available sanctions.
      v. That, in the event of a telephonic hearing, the Subject shall express their reasons for believing action should not be taken, and shall produce any evidence they desire on their behalf.
      vi. The Subject’s failure to respond may result in sanctions, including revocation of registration.
      vii. That a finding by the Disciplinary Committee of the allegations against the Subject to be truthful may result in sanctions including revocation and publication of that revocation.
      viii. That if the Subject does not dispute the allegations or request a review or hearing, the Subject thereby agrees that the Disciplinary Committee may render a decision on the evidence before it and apply available sanctions (as set forth below in Section VI. a-f).
   d. If the Subject disputes the allegations or available sanctions or requests a telephonic hearing, the Disciplinary Committee may offer the Subject the opportunity to accept an identified sanction in lieu of proceeding with the requested telephonic hearing. Such an offer shall be provided in writing. The Subject may ask the Disciplinary Committee to modify its offer, and the Committee may do so in its sole discretion. If the Subject is unwilling to accept the Committee’s offer, the Disciplinary Committee shall designate one of its members to present the allegations and any substantiating
evidence, and otherwise present the matter during any hearing before the Disciplinary Committee.

3. **Hearing Procedures of the Disciplinary Committee**
   a. In matters related to a denial of eligibility by the ARC Executive Director, the Disciplinary Committee shall render a decision within thirty (30) days following receipt of the matter.    b. In all other cases, after receiving the statement of allegations and response, the Disciplinary Hearing Committee shall:
      i. Prepare a response to the written response to the allegations with a decision that contains its findings and any sanctions applied.
      ii. Schedule a time and date for a telephonic hearing if needed, allowing for an adequate period of time for preparation by both sides.
      iii. Send a Notice of Hearing to the Subject by certified mail (return receipt requested) stating the time of the hearing. The Subject may request a change of date of the hearing for good cause, which may be granted by the Disciplinary Committee in its sole discretion. Failure to respond to the Notice of Hearing shall permit the Disciplinary Committee to administer any sanction that it considers appropriate. In a telephonic hearing, both ARC and the applicant/candidate/registrant shall be given an equal opportunity to be heard, and the hearing shall last for the time period designated by ARC in advance of the hearing (no more than one hour and no less than 15 minutes).
   c. Formal rules of evidence shall not apply. Either side may submit relevant evidence.
   d. The Disciplinary Committee shall determine all matters relating to the hearing.
   e. Resolution of disputed questions shall be determined by the Disciplinary Committee.
   f. In all written reviews and telephonic hearings before the Disciplinary Committee:
      i. The Disciplinary Committee, in its sole discretion, will make a determination.
      ii. Whenever mental or physical disability is alleged, the Subject may be required to undergo a physical or mental examination at their expense. The report of such an examination shall become part of the evidence the Disciplinary Committee considers.
      iii. The Disciplinary Committee shall issue a written decision following the review or hearing. It shall be promptly mailed to the Subject by certified mail (return receipt requested). The Committee will also inform the ARC Board of Directors and Executive Director.
      iv. The decision of the Disciplinary Committee will be final and binding, unless a written appeal request is received by the ARC Executive Director within ten (10) days following the date the decision of the Disciplinary Committee was mailed.
4. Appeal Procedures
   a. If the decision rendered by the Disciplinary Committee finds that the allegations
      are not established, no further action on the matter shall be taken.
   b. If the decision rendered by the Disciplinary Committee is not favorable to the
      Subject, they may appeal the decision to the ARC Board of Directors by
      submitting a written appeal request within ten (10) days following the date the
      decision of the Disciplinary Committee was mailed. The Disciplinary Committee
      may file a written response to the request of the Subject.
   c. The Board of Directors by majority vote of those Directors present and voting,
      shall render a decision within thirty (30) days following receipt of the appeal
      request. This decision shall be based on the written record. The Board of
      Directors may choose, in its sole discretion, to conduct a de novo review of the
      Disciplinary Committee decision.
   d. The decision of the ARC Board of Directors shall be rendered in writing. The
      decision shall contain its findings and any sanctions applied (as set forth below in
      Section VI. a-f). The Board's decision shall be final. The decision shall be mailed to
      the Subject by certified mail (return receipt requested).

VI. SANCTIONS
The sanction for violation of any ARC rule may include one or more of the following:
   a. Denial or suspension of eligibility.
   b. Revocation of registration.
   c. Non-renewal of registration.
   d. Reprimand.
   e. Suspension of registration.
   f. Other corrective action.

ARC reserves the right to publish RA’s names that have had their registration revoked.

VII. SUMMARY PROCEDURE
Whenever the ARC President determines that there is cause to believe that a threat of
immediate and irreparable injury to the public exists, the President shall forward the
allegations to the ARC Board of Directors. The Board shall review the matter immediately and
provide telephonic or other expedited notice and review procedures to the subject Registered
Aromatherapist. Following such notice and opportunity by the Registered Aromatherapist to
be heard, if the Board determines that a threat of immediate and irreparable injury to the
public exists, registration may be revoked. An Aromatherapist who wishes to reinstate their
revoked registration, may do so by submitting a written statement to ARC that shall include
the following:

I, (insert name of applicant), hereby assert that I am aware of ARC’s
Disciplinary Policy and Statement of Policy Against Raindrop
Therapy/Raindrop Technique/AromaTouch and hereby agree that in order to reinstate my status as a Registered Aromatherapist, I will not engage in or teach, now or in the future, anything that conflicts with those policies, including but not limited to any gross or repeated negligence in professional work and any unsafe professional practice (which is defined by ARC to include, but not be limited to, the practice of Raindrop Therapy/Raindrop Technique/AromaTouch).

ARC, in its discretion, may then reinstate a revoked registration if it is proved to its satisfaction that the aromatherapist unknowingly violated ARC policies.

VIII. RELEASE OF INFORMATION
Each applicant/candidate/registrant agrees that ARC and its officers, directors, committee members, panel members, employees, lawyers, and agents may communicate any and all information relating to their registration status and Application and review thereof (including but not limited to the pendency or outcome of any disciplinary proceedings) to state and federal authorities, licensing boards, employers, other registrants, and the public upon request.

IX. WAIVER
Each applicant/candidate/registrant releases, discharges, and exonerates ARC, its officers, directors, committee members, panel members, employees, and agents, and any other persons from any and all liability arising out of, or in connection with, any action taken pursuant to this Disciplinary Policy or other ARC standards, policies, and procedures, including but not limited to liability arising out of (i) the furnishing or inspection of documents, records, and other information, and (ii) any investigation and review of an Application or registration made by ARC.

X. RECONSIDERATION OF ELIGIBILITY AND REINSTATEMENT OF REGISTRATION
If eligibility or registration is denied or revoked, eligibility or registration may be reconsidered on the following basis:

a. In the event of a felony conviction directly related to public health or aromatherapy no earlier than three (3) years from the exhaustion of appeals or release from confinement, whichever is later.

b. In any other event, no earlier than three (3) years from the final decision of ineligibility or revocation.

In addition to other facts required by ARC, such an individual must fully set forth the circumstances of the decision denying eligibility or revoking registration, as well as all relevant facts and circumstances since the decision relevant to the Application. When eligibility has been denied because of felony conviction, the individual bears the burden of demonstrating that the
individual has been rehabilitated and does not pose a danger to others. Such evidence shall be submitted to the ARC Executive Director, who shall determine whether the evidence meets this burden in the Executive Director's discretion. Unless and until clear and convincing evidence is submitted, the individual will remain ineligible for reinstatement. The decision of the Executive Director may be appealed as provided in Section V.4, above.
APPENDIX C

STATEMENT OF POLICY AGAINST RAINDROP THERAPY/RAINDROP TECHNIQUE OR AROMATOUCH

The Aromatherapy Registration Council (ARC) hereby formally clarifies its prohibition on the use or the teaching of Raindrop Therapy/Raindrop Technique or AromaTouch and any other therapies similar to Raindrop Therapy/Raindrop Technique or AromaTouch that involve the use of neat essential oils on the skin by its Registered Aromatherapists. In its discretion, the Aromatherapy Registration Council may revoke without notice the registration of any aromatherapist whom it determines by credible evidence is engaging in the practice or teaching of Raindrop Therapy/Raindrop Technique or AromaTouch in order to protect public health. It may publish a list of aromatherapists with revoked registrations.

Definition of Raindrop Therapy/Raindrop Technique or AromaTouch: For the purposes of this Statement, Raindrop Therapy/Raindrop Technique or AromaTouch is defined as the topical application of specific "undiluted" essential oils on the skin. For the purposes of this Statement, an essential oil shall be deemed "undiluted" if an essential oil is administered topically to an adult or child and has more concentration of essential oil than 2% or the correct dilution ratio generally accepted as safe for that oil.

Concerns regarding Public Health: ARC believes that Raindrop Therapy/Raindrop Technique and AromaTouch pose risks to the public health. Raindrop Therapy/Raindrop Technique and AromaTouch are typically practiced as one-size-fits-all techniques and may not be suitable for people with compromised liver or kidney function, those with heart disease, those on blood thinning medication, those with allergies to aspirin, and other disorders. Topical application of undiluted oils has a high risk of creating adverse skin reactions. ARC also believes that there is no published, research-validated clinical evidence to support any claim that Raindrop Therapy/Raindrop Technique or AromaTouch are able to assist in correcting spinal curvatures caused by scoliosis or to align electric and structural elements of the body, and that, therefore, claims made in this regard or the application of Raindrop Therapy/Raindrop Technique or AromaTouch for these purposes, is detrimental to public health. ARC believes that aromatherapy should only complement, not substitute for, conventional medicine.
